CATEGORICAL EXEMPTION/CATEGORICAL EXCLUSION DETERMINATION FORM

12-ORA-133 0.8-1.2 No significant environmental consequences are anticipated with the proposed project. In addition to the measure relating to construction noise, air pollution control, water pollution control, and erosion, as given in the Caltrans's Specifications, the following measures are required: This project lies within the coastal zone. Construction or maintenance activities shall not commence coastal permit exemption determination or coastal development permit has been obtained from the California Coastal Commission, and/or the Certified Local Coastal Program agency(s) that hold jurisdiction. This should be completed during the PS&E phase for delivery projects. Equipment/materials shall not be stored outside of paved areas. Construction must be completed between Labor Day weekend and Memorial Day weekend to avoid it to coastal access during the high season.
